

Meter Mains with Emergency Disconnect

UL Listed | 100-200 Amps

U5852

U5854

As NEC 2020 starts to be adopted across the country, single position residential meter sockets will need an emergency disconnect. Milbank's U5852 and U5854 series mains are compliant with NEC 2020 sections 230.85(1) emergency disconnect requirement and 230.62 enclosed or guarded service equipment requirement and could serve as the right solution for your project.

Always check with your local utility to see what products are approved in your area. Milbank is working hard on solutions to ensure our products meet NEC 2020 requirements. If you're looking for a product or have questions, contact your local rep.

Features

- 100-200 Amps
- Ring type meter socket
- Main breaker
- Overhead/underground entry on U5854; overhead only on U5852
- G90 galvanized steel with powder coat finish
- Single phase
- NEMA 3R enclosure
- UL listed
- Manufactured in the USA

The U5852 and U5854 can be used for residential applications.

Please consult serving utility for their requirements prior to ordering or installing, as specifications and approvals vary by utility, and may require local electrical inspector approval. All installations must be installed by a licensed electrician and must comply with all national and local codes, laws and regulations. Milbank reserves the right to make changes in specifications and features shown without notice or obligation.

Meter Sockets with Emergency Disconnect

UL Listed | 100-200 Amps

100-200 Amps | 4 Terminals | Ring Type | 1Ø3W

Consult your local utility for approved products in your area.

Notes

- AIC Rating:** These meter mains are rated 22K AIC.
- Hubs:** Units for OH/UG applications are supplied with one closing plate. Order additional hubs separately.
- Fifth Terminal:** For field-installable fifth terminal, order K5T. Installs in the 9 o'clock position.
- Circuit Breakers:** Milbank meter mains at 125 Amps or less accept breakers from multiple manufacturers. Refer to the chart below for circuit breaker options.
- Sealing Ring:** Includes MR-2 snap action sealing ring.

Branch Breaker Chart
