

Enclosures

Variety of NEMA Enclosures

NEMA 3R Screw Cover, Hinge Cover, Latch Cover, Junction Boxes, Pull Boxes, Transformer Cabinets

Milbank NEMA 3R enclosures are designed for indoor and outdoor use and provide a degree of protection to internal equipment against water (including rain, sleet and snow). These enclosures are also designed to be undamaged by the external formation of ice on the enclosure.

Common Applications

Outdoor Protection from Weather

Indoor Protection from Water

Please consult serving utility for their requirements prior to ordering or installing, as specifications and approvals vary by utility, and may require local electrical inspector approval. All installations must be installed by a licensed electrician and must comply with all national and local codes, laws and regulations. Milbank reserves the right to make changes in specifications and features shown without notice or obligation.
