600-2000 Amps Cabinets

NEVI Ready. Built for EV Charging.

Reduced Lead Times

PWRvance offers pre-designed packages tailored for EV charging, allowing accelerated lead times on well-established designs.

Integrated Metering

PWRvance leverages nearly a century of Milbank expertise, enabling seamless integration of metering with utility-related specifications.

Smaller Footprint

PWRvance's Integrated power distribution, control equipment and metering allow for a smaller footprint.

Easy Approval

PWRvance has several designs currently approved to meet utility specifics.

DESIGNED FOR EASY UTILITY APPROVAL
