**MILBANK®**
ENERGY AT WORK

## EDI BENEFITS

- Removes costs and inefficiencies associated with processing paper documents – printing, copying, filing, postage, storage, etc.
- Streamlines business processes and reduces associated labor.
- Reduces transcription and order entry errors, eliminating the need for quality checks and reducing returns.
- Eliminates any chance of orders being lost via email, fax or postal service.
- Green – eliminates paper and ink, saving money and reducing waste.
- Improves overall supply chain efficiency.
- Accommodates most any order type:
  — Standard stock orders
  — Non-stock special orders
  — Specially priced project orders
  — Drop shipment to jobsite orders
  — Will-call orders for pick-up at Milbank / Rep warehouse
