Notes

- All cabinets can be pad-mounted, just add a "PM" to the end of the part number. Cabinets with an asterisk (*) will have a 10" extension added to the bottom for snow clearance.
- Aluminum mounting panels can be provided for an additional cost and will be as large as allowed to get in and out of the cabinet.

*Has 10" extension added to the bottom for snow clearance.

Please consult serving utility for their requirements prior to ordering or installing, as specifications and approvals vary by utility, and may require local electrical inspector approval. All installations must be installed by a licensed electrician and must comply with all national and local codes, laws and regulations. Milbank reserves the right to make changes in specifications and features shown without notice or obligation.
