

# LED LIGHTS FOR METERED AND UNMETERED POWER OUTLETS

Milbank now offers the convenience and durability that LED lights can bring to our metered and unmetered power outlets. LED lights can now be factory installed or field installed kits can also be purchased from Milbank.

## FEATURES & BENEFITS

- **Long Lasting** - LED bulbs last up to 10 times longer than fluorescent.
- **Durable** - Since LEDs do not have a filament, they are less likely damaged under circumstances when a regular incandescent bulb would be broken.
- **Cost-Effective** - Because of their durability and long lasting life, there is potential maintenance and repair savings to be realized.

### Internal LED Light Kits for **Unmetered** Power Outlets (U5000 & U5200)
