## Z904304-AO

|                               |   |
|-------------------------------|---|
| Catalog Number                | Z904304-AO                                  |
| Marketing Product Description | Top Connector 750 Kcmil For S1855 And S1856 |
| UPC                           | 784572150454                                |
| Length (IN)                   | 10.5  |
| Width (IN)                    | 7.12  |
| Height (IN)                   | 10.5  |
| Weight (LB)                   | 0.4   |
| Brand Name                    | Milbank                                     |
| Type                          | Wire Connector                              |
| Application                   | Metering Accessory                          |
| Standard                      | UL Listed                                   |
| Size                          | 10.5L x 7.12W x 10.5H                       |
| Connection                    | Mechanical                                  |
| Conductor Range               | 3/0 AWG to 750 kcmil                        |
| Mounting                      | Plug In                                     |
| Number Of Conductors          | 1   |
| Material                      | Aluminum                                    |
| Voltage Rating                | Up to 600 Volts Alternating Current         |
| Insulation                    | None  |
| Temperature Rating            | 75 Degrees Celsius                          |

Please consult serving utility for their requirements prior to ordering or installing, as specifications and approvals vary by utility and may require local electrical inspector approval. All installations must be installed by a licensed electrician and must comply with all national and local codes, laws and regulations. Milbank reserves the right to make changes in specifications and features shown without notice or obligation.
